

## **Need to Succeed – Employment Development & Training**

### *Step 4 of the Kingdom Hearts 5-Step Pathway to Independence*

---

#### **Program Overview**

Need to Succeed prepares participants for the workforce through career exploration, job readiness training, and real-world work experience.

#### **What You'll Do**

- Attend employment and career workshops
- Create a resume and practice job interviews
- Learn workplace etiquette and time management
- Participate in mock job fairs
- Gain hands-on experience through internships or volunteering

#### **Your Outcomes**

Participants will:

- Build confidence and professional skills
- Learn to identify strengths and job preferences
- Secure part-time or full-time employment
- Prepare for long-term career success

#### **Support Available**

Career coaches help participants craft individual employment plans and overcome barriers to employment.
